Webex Webinars (formerly Webex Events (new))

Webex® Webinars enables highly interactive webinar and webcast experiences for customers. With Webex Webinars, customers have the ability to scale from small to large organizations, gain insights on events, and access a variety of features.

Key features to the Webex Webinars include:

- Single tier Named User licensing
- Up to 100,000 capacities
- Webex Assistant Included for all Webex Webinars customers
- Webcast mode included for Webex Webinars 3000 customers
- Included Webex App messaging

Requested start date

- Determine your requested start date for the subscription, which can be set at a maximum of 90 days from the order date.
- The billing for A-FLEX-3 offer will be triggered 30 days (at latest) after the requested start date, or when the first service is provisioned, whichever occurs first.
- See [Annuity \(Saas\) Quoting guide](#) for additional information relating to quoting.

Buying models

Named User (NU) is a per-user subscription that enables customers to provide services for individuals, teams, or departments and add additional entitlements as adoption grows. Entitlements can be purchased per user with no minimum. No growth is included.

Deployment model

Webex Webinars is a cloud deployment.

Features and benefits

When you choose Webex Webinars, you receive entitlements to a bundle of features. Table 1 describes the included features and the availability of each feature to users. Table 2 describes the add-on features that can be purchased on top of your subscription.

Each of these services can be included in or excluded from the order and subsequent site provisioning. All included services will be made available to all site knowledge workers by default, and knowledge worker-level entitlements can be selectively modified using site administration tools.

You will be required to choose one of the following billing models with your order:

Uncommitted billing – Invoiced monthly in arrears, based on actual usage over the billing period. Per-use fees are subject to change. The subscriber will be charged at the applicable rate in effect at the time the service is used.

Committed billing – Invoiced monthly in advance for the duration of the audio service subscription term, based on a monthly committed dollar amount (minimum of \$226 per month). Usage in excess of committed amounts is invoiced monthly in arrears at the discounted rate. Committed amounts that are not used by the subscriber during the month may not be carried forward into the next month.

Technical support and customer success services

Cisco offers support services covering the areas of problem resolution, customer success and adoption, and designated support management in three service tiers: Basic, Enhanced, and Premium. Basic support is included at no additional cost for the duration of your subscription. For more information about the available technical support services, contact your partner or Cisco sales agent.
